1 G What are you going to do on your vacation, Junho?

B I'm planning to go water skiing in the ocean.

G Really? That sounds exciting!

B Yes, I want to have an exciting time. Quiet activities make me bored.

2 B Tell me about your travel plans, Sumi.

G Well, I'm planning to visit Vietnam. I'm really excited!

B That sounds like fun. What are you going to do there?

G I'm going to experience a totally different culture. Maybe I'll even try on the traditional Vietnamese costume *áo dài*!

3 G I heard you're going on a trip this weekend, Kevin.

B Yeah, my family and I are going camping on Jiri Mountain.

G That sounds like a cool plan. What are you going to do there?

B I'm not really sure, but I just want to relax. I plan to just take it easy.

1 G Do you have any vacation plans, Bill?

B Yeah, I'm thinking of taking a trip to Busan.

G That sounds like fun. Are you going to go sightseeing?

B No, I'm planning to swim and hang out at a beach. I just want to relax.

G Not me. I'm betting on an exciting vacation.

B Really? Do you have any specific plans?

G Yup, it's a done deal. I'm going scuba diving on Jeju Island.

B That sounds like such an adventure! I think I'm jealous.

G Don't worry. Your beach vacation will be loads of fun, too!

1 - (1) W Excuse me. We're looking for the cinema.

M It's right over there, on the other side of the square.

W I beg your pardon? Could you speak slower, please?

M Sure. I said it's over there, next to the sports center. Just cross the square.

W Oh, OK. Thanks!

1 - (2) W Excuse me. Where is the art museum?

M It's on the other end of town, so you have to take a bus to get there.

W I'm sorry, what did you say?

M I said you need to take a bus. Go to the bus stop in front of the shopping mall. Take bus 45.

W Great. Thanks!

1 - (3) W Does anyone know where the restaurant is?

M Beats me. I don't have a clue.

W Sorry, but I don't know what you mean. Would you say that again?

M I said I don't know. We'd better call the restaurant.

W OK. There's a quiet spot under that tree. Let's go over there and make the call.

2 M Excuse me, is there a library around here?

W Yes, there is, but it's undergoing renovation at the moment.

M Sorry, I don't understand what you mean.

W I mean that it's closed. They're fixing it right now.

M Oh, no! I wanted to use their copy machine.

W Well, there's an office supply store near here.

M An office what? Would you speak slower, please?

W Sure. There's an office supply store. They have copy machines you can use.

M Great. Where is it?

W Go straight for one block and turn right at the traffic light.

M Turn right at the traffic light?

W Yes. The store will be on your left, across from the post office.

M Oh, I see. Thank you very much!

W You're welcome.

- W Excuse me, but I'm looking for a bookstore.
 M You're in luck. There's one just a stone's throw from here.
 W Sorry, I don't know what you mean. Would you say that again?
 M I mean there's one nearby. Let me show you.
 W OK, thanks.
 M See that tall building over there?
 W The one with the parking lot in front of it?
 M Exactly. There's a bookstore in that building, on the ground floor.
 W Thanks!

 G Yes, I do! I'm going to Tokyo, Japan, for a week.

 G I said I'm going to Japan. I'm going to visit a friend there.
 B Oh, fun. Are you going to try some sushi while you're there? It's delicious.
 G No. I'm vegetarian.
 B Oh, I didn't know that.
 G It's OK. What I really want to eat there is mochi ice cream!

 W It's on the next block, a little bit further down.
 B I'm sorry, but would you say that again?
 W Sure. I said it's on the next block. There's a bus stop in front of it.
 B Oh, I think I see it. Is the building big and red?
 W Yes, that's right, and it has a statue at the entrance.
 B OK. I see it now. Thanks so much.
 W You're welcome.
